WHEN
April 23, 4-4:50 pm
April 25, 9-9:50 am

WHERE
Fraser Hall 201

Feedback is welcomed by the University Community

Background
The resource modeling exercise estimates the prosperity gap associated with achieving key strategic plan objectives.

Outcome
A set of scenarios that will identify general types / sizes of expected expenditures, based on the 2018-2025 Strategic Plan and overall metrics approved by the Board of Trustees.

Key objectives, planning assumptions, and resulting scenarios will be shared at the Open Forums.
